

Amendment to Architectural Standards

Item numbers 1. and 2. of the “Fences” section of Architectural Standards Manual was modified to the following. Item number 5. was added. All other guidelines in the “Fences” section remain unchanged.

1. Fences may not extend forward of the middle of the home.
2. All fences must be 4 feet to 6 feet in height.

5. Only one style and height of fencing per home.
